

# **The Importance of Language in Supporting Social Emotional Development**

Presented by: by Alison Giachetti, MEd., Lisa Allred, MA, and Megan Jones

Idaho Early Years Conference '16

November 16, 2016

## **Reflection Questions:**

How was conflict handled in your family when you were growing up?

How does the way in which you learned about conflict influence your response to conflict now?

What is your response to conflict in the classroom?

How would you like for your response to classroom conflict to change?
